Dear Team,

Greetings from Uganda Joint Christian Council Secretariat.

I am writing to you to express our sincere thanks for having considered and involved our two staff (*Mr. Godfrey G. Mukalazi and Rev. Dr. Sam Opol*) in the Capacity-Building Workshop on Conflict Management, Gender, and Human Rights that you conducted on 24-27 November 2014 at Imperial Royal Hotel, in Kampala Uganda.

From their sharing with us, the knowledge and skills attained by the staff will go a long way in enriching the work of the Council in Uganda, and above all we fore see that it will make a valuable change in communities with which we work in to promote peaceful co-existence.

On behalf of the entire Secretariat, I reiterate sincere gratitude to the opportunity rendered, and pledge our commitment to work with you in promoting peace and justice to our people.

I look forward to our further partnership and collaboration in all areas of promoting human dignity.

Yours Sincerely,

Rev. Fr. Dr. Silvester Arinaitwe Rwomukubwe, A.J
